SUPPLEMENTARY INFORMATION:

Background

On November 1, 2017, the Department of Commerce (Commerce) published a notice of opportunity to request an administrative review of the antidumping duty (AD) order on polyethylene terephthalate film, sheet and strip from the United Arab Emirates, covering the period November 1, 2016, through October 31, 2017.<sup>1</sup> On November 30, 2018, Commerce received a timely request from the petitioners<sup>2</sup> for an AD administrative review of two companies: JBF RAK LLC (JBF) and Flex Middle East FZE (Flex),<sup>3</sup> and JBF submitted a

timely request for an AD review of itself.<sup>4</sup> On January 11, 2018, pursuant to the requests from interested parties, Commerce published a notice of initiation of administrative review with respect to JBF and Flex.<sup>5</sup> On April 11, 2018, the petitioners withdrew their requests for reviews of JBF and Flex.<sup>6</sup>

### Rescission in Part

Pursuant to 19 CFR 351.213(d)(1), the Secretary will rescind an administrative review, in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review. Commerce initiated the instant review on January 11, 2018, and the petitioners withdrew their request on April 11, 2018, which is within the 90-day period and is thus timely. Because the petitioners' withdrawal of their requests for review is timely and because no other party requested a review of Flex, we are rescinding this review, in part, with respect to Flex, in accordance with 19 CFR 351.213(d)(1). JBF did not withdraw its request for review of itself. As such, the instant review will continue with respect to JBF.

### Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Subject merchandise produced and/or exported by Flex will be assessed antidumping duties at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period November 1, 2015, through October 31, 2016, in accordance

with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP 15 days after the date of publication of this notice.

#### Notification to Importers

This notice serves as a reminder to importers for whom this review is being rescinded, as of the publication date of this notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of the antidumping duties occurred and the subsequent increase in the amount of antidumping duties assessed.

#### Notification Regarding Administrative Protective Orders

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with section 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).
